Countryside’s Book Club

There are books located in the Recreation Room to be enjoyed by our members. There are many varieties to choose from and you do not need to bring books in to be able to take any out. Help yourself and tell a neighbor!

WiFi at Countryside

Countryside offers a wireless internet connection to its members. Bring your WiFi equipped electronic device to the Center and pull-up a chair in the recreation room or go out by the pool. Enjoy the freedom and mobility of being wireless. Before getting started you will first need to ask management for the password and sign a disclaimer form.

Weeds

The monsoon rains are great for our thirsty desert. The trees and flowers are blooming with all the water they get this time of year. But, there are other plants that are not so desirable that love the monsoon rains too. These plants are weeds. The weed seeds sit patiently under the soil until they get enough rain to sprout. It seems like we go from one day with no weeds to the next with the ground covered with them. The best time to eliminate them is when they are small and fairly easy to remove. Once they get established, weeds can be very difficult to get rid of. Please help our neighborhood remain beautiful by keeping an eye out for weeds that pop up suddenly.

Countryside’s Fitness Room

Countryside’s Fitness Room has it all, free weights, strength training equipment, cardiovascular equipment; treadmills, elliptical, recumbence bike. You can enjoy your workout in a clean, comfortable, close-to-home gym with everything you need to get results. The orientation class is no long required for members over the age of eighteen.

Those between the ages of 14 and 17 must have a physician’s approval form filled out. (Available online or in the office). A parent or guardian must be present for the orientation class (class fee is $20). Minors that have been certified can use the fitness room as long as they are with an adult over the age of 18 who has also been certified.

Recap of Board Meeting Minutes for May and June

**May:** The meeting was called to order at 7:00PM on May 14, 2013 in the Countryside Recreation Room. The meeting minutes and the Treasurer’s Report from April were reviewed and approved by the Board. The General Manager reported that the new member sign-in program was completed and she hired a temporary employee to input member detail into the program. C & L Electrostatic Painting started painting the small playground and will begin work on the light poles next week. Countryside hired a total of seven lifeguards for the summer. They will start on May 23 when school is out for the summer. Swim lessons will start on June 3rd. They will be for members only. The front office was broken into on May 10, 2013. The Sheriff’s Department was called and an incident report was filed. Damages totaled $352.73. More bids for repairing the rusted area in the spa are needed before a decision is made for repairs. Four members were sent to the attorney for collections. A member addressed the Board regarding the swim team use of the pool.

**June:** The meeting was called to order at 7:00PM on June 11, 2013 in the Countryside Recreation Room. The Board reviewed and approved the May minutes and the Treasurer’s Report. Two underwater lights with fixtures were installed in the pool and two sets of probes for the wading pool and pool chemical feeder systems were purchased and installed for a total cost of $2,100.83. Funds from the reserve account “Pool Equipment” were used for this expenditure. The staff is happy with the new software program for the front office. Staff will continue to update member detail and photos. Two weeks after light poles and playground equipment were painted graffiti was found on the poles and large playground equipment. C & L Painting was contacted to touch up the paint on the graffiti areas. The Board approved part time security patrol of the Center. The Board approved a motion to use $1,311.74 from the “Coolers and Water Heater” fund to repair the spa heater. Since the General Manager and one Board member will not be present for the next Board meeting, there will be no meeting in July. The Board discussed the swim team and legal counsel’s opinion in regard to non members using the pool.

**July:** July’s meeting was canceled.
