Octoer and November

The Northwest Fire Department Demonstrates Fire Safety at the Annual Mini-Muster

This demonstration takes place on the softball field from 9:00 AM 'til 12:00 noon Thursday, October 30th and focuses on teaching children of the community valuable lessons regarding possible fire dangers. The second graders from DeGrazia will be there to observe and participate in creative games. Members are welcome to observe as well. No registration is required. We feel it is important to make efforts to prevent future injuries and accidents that can occur with children and fire.

Happy Halloween

Are you interested in taking yoga classes or learning meditation? If so, give Mackenzie a call at 744-2403. If there is enough interest we plan to offer classes starting in January.

Meditation technique is easy to learn and provides a lifetime of benefits. The goal of meditation is to focus and quiet your mind, eventually reaching a higher level of awareness and inner calm.
