Meet the Countryside Staff.....

Countryside continually welcomes both new members to our neighborhood and our new employees to the Center who, together, contribute to enriching and enlivening our shared community. We will begin introducing (and re-introducing) our staff members in this issue and continue sharing about other employees in future issues.

**Alice Lyle** has lived in the Countryside neighborhood since its beginnings, and she became manager of the Community Club Center in 1990. She raised her two sons, Elliott and Eric, in Tucson, after settling here from California. She remembers the days when the Club members were checked in by hand at the front gate (before computers), and she says that the club’s recreational facilities have improved tremendously during her tenure. Alice’s primary interests are travel and the arts. She has recently hiked in Italy, rafted down the Grand Canyon and cruised to Panama and Costa Rica. Her most recent plans have included seeing the ruins of Peru and hiking up Huayna Picchu. Alice’s other hobbies include painting, exploring Tucson’s hiking trails, biking, and playing cards. She also enjoys Sudoku, reading, live music, wine tasting, and dancing, and she is an enthusiastic gem show fan! Alice particularly relishes spending time with her two granddaughters and camping with her family. She says what she has enjoyed most about her thirty years managing the Center have been the beautiful facilities and meeting the members of the Countryside community.

**Maria Durant** has worked at Countryside Club for thirty-two years, and she is presently the Center’s Assistant Manager, working primarily on weekday evenings. Maria was raised mostly in California, alongside her twelve siblings, where she worked alongside her father in the fields. Los Angeles and the Bay Area are still two of her favorite places to visit because she especially enjoys the art museums and botanic gardens. In Tucson, her favorite places are the gem show and the Desert Museum. Maria has many interests, including quilting, stained glass, jewelry-making, and folkloric dancing. Many Countryside members have sampled Maria’s wonderful cooking at our senior luncheons, and Maria would love to open a restaurant in Tucson some time in the future to serve authentic Mexican food. Maria and her husband, Marx, were among the earliest residents in Countryside. She has one daughter, Geraldine, who lives in San Francisco and two sons in Tucson, Julio and Marx Jr. She and Marx have eleven grandchildren.

Hello Members!

As we approach the summer months, I would like to remind everyone of the many recent improvements to the Countryside Community Club. We have new playground equipment with a shade structure, basketball and tennis courts upgraded to concrete, with the addition of a pickleball court, and the pool, spa, and deck have been resurfaced. We again offer swim lessons to the Countryside children, and we would like to arrange a pickleball tournament by the end of the summer. With warmer weather here to stay, I hope you will find the time to enjoy our many club amenities with your family and friends!

Get Fit This Summer!

The Countryside fitness room is a clean, comfortable, and close-to-home gym with everything you need to stay healthy strong! Those between the ages of 14 and 17 must first have a physician’s approval form filled out and take the orientation class before using the fitness room. This form is available in the front office. A parent or guardian must be present for the class. The class fee is $20. Minors who have been certified can use the fitness room if they are with an adult 18 or older who has been authorized to use the room. Please remember, no guests allowed in the fitness room.

**Priya Grace** works the Center office mostly on weekend mornings. She lived in Countryside Valley in 2010 and discovered her love of swimming at the Club. She then taught yoga at the Center. Priya grew up in upstate New York, and she settled in Tucson after retiring from 30 years as a teacher and K-12 principal in Colorado. She has lived in Paris as a house-sitter, owned a Spanish school in Costa Rica, taught English during her three stays in India, and also was certified as a yoga instructor while there. Priya has been a conference director and health magazine editor, and she currently offers spiritual counseling and life coaching. She likes to swim, dance, paint, and play the piano. Her favorite places include the Denver Botanic Gardens, the Catskill Mountains, the bridges in Paris, and the temples of southern India. She loves watching Tucson sunsets, sharing Pinot Noir with friends, and taking road trips with her daughter, Brenda.

Board meetings are held the second Tuesday of each month at 7:00pm in the Recreation room. The treasurer’s reports and minutes were approved for each month. The Board receives monthly collection reports from the attorney for review. There was positive feedback from members regarding the new pickleball court. Only five to seven members took advantage of the Center opening at 7:00AM on Monday and Wednesday during February and March. New payment coupons for CCCA were mailed in January, these replaced previously mailed coupons. A new recumbent bike was purchased for the fitness room. The Board approved Meadows Plastering to resurface the spa. The Board discussed hiring a new accounting company and will put it out for bid. The General Manager is still working on getting bids and total cost for outdoor fitness equipment and bids for replacing the swings and removing out dated play equipment. The Centers financial advisor prepared a financial summary for the Board. The Board received a letter from Sprint Communication, who would like to lease land to build a communication tower on CCCA property. After discussion, the Board agreed it was not in the best interest of the members. The corporate tax return was prepared and mailed. In April, the spa renovation was completed. The Board approved Pima County Elections Department to use the Recreation Room on August 28th and November 6th for the primary and general election. One hundred twenty members attended the annual egg hunt on March 31st. The facility racquetball and parking lot lights were inspected and replaced as needed.

The next regular Board of Directors meeting will take place on May 9, 2018 at 7:00PM in the Countryside recreation room. All members are welcome to attend.

Copies of the minutes are available to members on request.
