Hello Members!

As our busy season draws to a close, I would like to thank the staff who have assisted members and kept the Center clean and our swimmers safe this summer. In this issue, you can read more about our lifeguards and office assistants. I would also like to thank the members who have helped the Center run smoothly by honoring our shared guidelines and treating our facilities with respect and care.

In the coming year, members can expect that the swing sets will be upgraded, a tire swing and spinner will be added and the monkey bars removed. A decision will be made regarding upgrading the tennis courts 3 and 4 and the parking lots will be seal-coated. Please remember that we have a wide variety of sport items available to check out to use at Countryside and we also offer snacks, soda, and water for sale at our concession stand in the front office. We also have many “lost” items at our counter, so be sure to look for your missing belongings!

Finally, I am looking for about 10 members interested in helping to plan a Craft Fair that could be held before the holiday season, if there is enough interest. If you would like to help, please give me a call.

I look forward to seeing you all at our Labor Day Party!

Alice Lyle
Countryside General Manager, 744-2403
