April 20th at 10:30am

The Countryside Annual Easter Egg Hunt will be held on April 20th at 10:30AM for the members of Countryside Community Club. Parents and children are asked to meet in the side parking lot where the children, 12 and under, will be divided into age groups and set free to hunt for eggs, there will be hundreds of eggs to be found. It is recommended that each child bring a basket (or bag) for all the goodies. Each egg will hold a candy treat. After the egg hunt we will serve hot dogs, chips and drinks in the recreation room. We will then play bingo for another chance to win some prizes. There will be face painting, balloons and goodie bags for all the children. **You will need to register by April 17th to ensure we have enough goodies for everyone. You can stop by or call the center at 744-2403. Please remember the eggs go fast, so don’t be late.**

**Do you need a reason to start using the Countryside Fitness room?**

1. Exercise increases your cardiovascular fitness. Through strengthening our heart and lungs we increase our strength by creating lean muscles.
2. Access to equipment. One of the big advantages of joining a gym is the wide array of equipment available.
3. Make friends. The gym is a great way to be social and meet like minded people.
4. Establish a healthy routine. There’s no soggy ground to worry about, no dogs to hurdle when running and no risk of heat exhaustion on summer days.
5. Increased energy levels is one of the side effects of exercise. It enhances mood due to the release of natural endorphins.
6. Motivation. Heading to the gym and being around others who are in the same situation as you can be just the incentive and motivation you need to keep going.

We hope you head over to the Countryside Fitness Room and start feeling better today.

Please remember, the fitness room is for members only.

**What is Pickleball?**

Pickleball is a paddle sport created for all ages and skill levels. The rules are simple and the game is easy for beginners to learn, but can develop into a quick, fast-paced, competitive game for experienced players.

The Basics: A fun sport that combines many elements of tennis, badminton and ping-pong. Played on a badminton-sized court and a slightly modified tennis net with a paddle and a plastic ball with holes. Played as doubles or singles. Now that you know what it’s all about, contact Liz at: [Lizmarc5@aol.com](mailto:Lizmarc5@aol.com) if you are a member and interested in playing.

If you need a partner for tennis or pickleball, please call Alice at 744-4614. We have members who want to play, but need a partner.
