

COUNTRYSIDE COMMUNITY CLUB

AUGUST NEWSLETTER

Thank You & Goodbye Lifeguards

We at Countryside Community Club would like to say thank you to this year's lifeguards. We had a great group with us this year, a few people thought they were more strict than previous years. However, we had no major accidents this year & the pool only had to be closed once for an hour due to an incident which is fantastic. We received several compliments in the office on how nice & professional the lifeguards were, along with how nice & clean the pool area & locker rooms were this year. The lifeguards will be with us through the beginning of August as everyone gets ready to go back to school. Tyler will be heading back to ASU, Sam will be heading back to UofA, Glori is heading off on a year-long mission trip, while Camille, Cale & Aubri are heading back to high school. We have enjoyed having all of them here this summer as part of our CCCA family and look forward to next summer.

- CRAYONS**

- BLUNT TIP SCISSORS**
- WIDE-RULED NOTEBOOKS OR PADS**
- ASSORTED CONSTRUCTION PAPER**
- MARKERS**
- POCKET FOLDERS**
- HIGHLIGHTERS**
- BACKPACKS**

This year getting ready to go back to school is going to look a little different. Some kids will be going back into the classroom while others will be attending class virtually at home. No matter how they are attending school they will still need school supplies. The days of sharing crayons and/or markers is gone which means the schools will be needing more school supplies this year not less.

The month of August is back to school month to help we will be collecting school supplies to assist the schools, kids & youth in our neighborhood. If you are able and would like to donate supplies we will have a donation box set up in our office through August 31st.

Thank you in advance for supporting education and the teachers in our neighborhood.
